The Opportunity

Draft-approved plan of subdivision

Eight detached residential lots, each 0.20 HA, fronting new internal streets and one temporary hold for the storm water management (SWM) pond.

Infrastructure

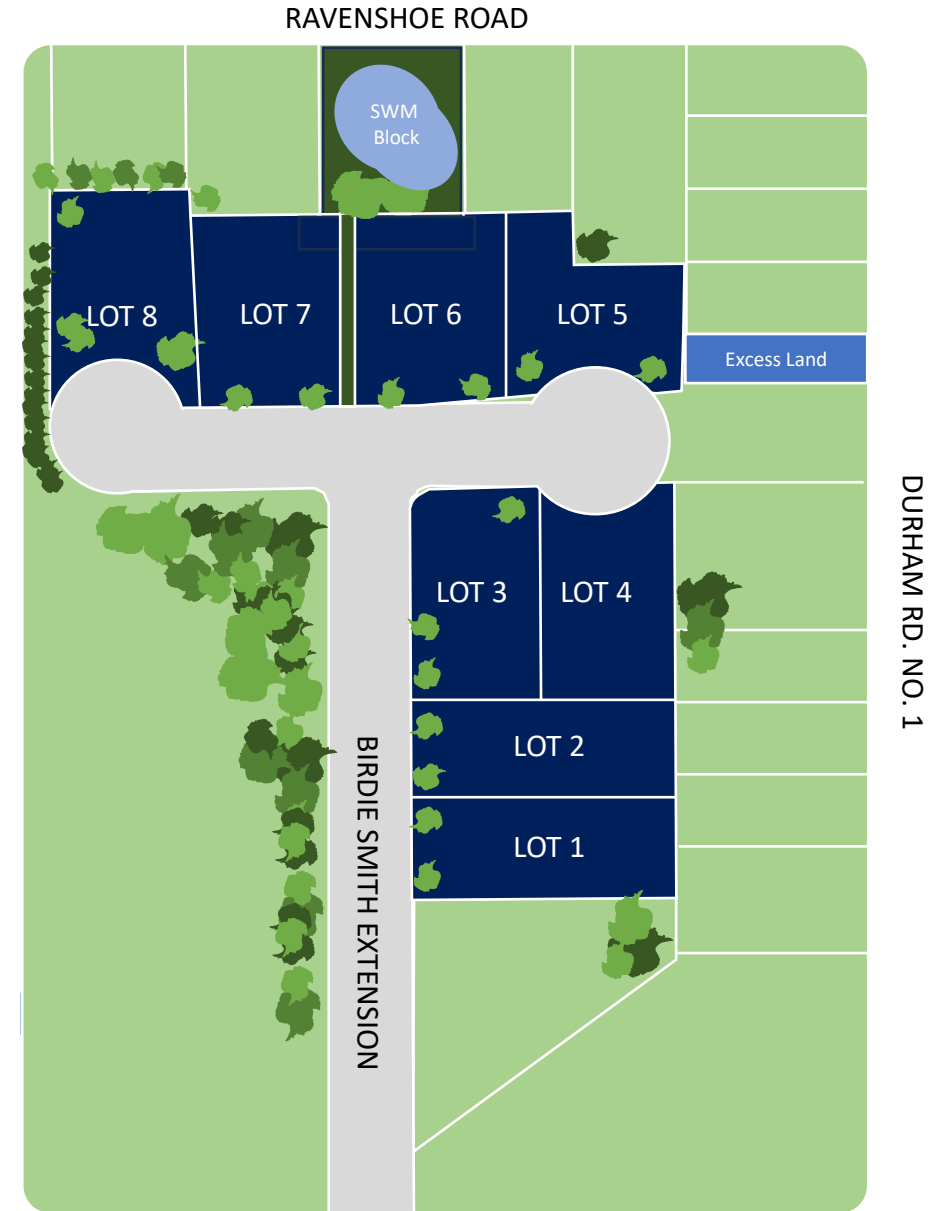

Private services with a temporary stormwater management pond located on Ravenshoe Rd until adjacent neighbour to the west develops.

Established neighbourhood context

Bordered by existing residential development on multiple sides — low absorption risk, proven market.

Private access & quaint

Access is via the Birdie Smith Court extension providing separation from larger Regional Roads with natural trees muting car noise.
